2009 Children's Stewardship Pledge

Dear Parents,

Today we discussed stewardship as a part of Sunday School. We read the story of creation, prepared snack bags for the needy and talked with your child about the importance of giving money to the Cathedral. We also encouraged your child to bring clothes to donate to the Cathedral Thrift House on St. Francis Day, October 5 or to the October 8 Wednesday Night dinner. We hope you will discuss stewardship as a family and encourage your child to pledge. This is intended to be the child's own pledge, not a portion of their parent's pledge. We have requested that your child fill out and return the pledge card at the bottom of this page. Once the pledge card is returned, your child will receive his/her own offering envelopes to use for their weekly offering. We hope that encouraging your child to give money at a young age will teach them valuable stewardship skills that they will carry with them into adulthood. Please contact David Rocchio at 404-365-1033 or drocchio@stphilipscathedral.org with any questions.

Thank you for your support,

Mary and Ward Bondurant, 2009 Stewardship Committee

Dear Student,

While we read the Creation Story and prepared snack bags for the needy today, we also discussed the importance of sharing your time, talent, and treasure with your church. Your gift supports the church and its many activities, such as Sunday School, Wednesday Night Dinner, and Allegro. In addition to bringing in gently used clothing on St. Francis Day, we ask that you talk with your family about giving a little bit of your money to the church. Please pray about this pledge and decide what amount you would be willing to give to the church each week. Tear off your pledge card below and give it to your Sunday School teacher, mail it back to the Cathedral, or drop it in the offering plate at church. Once you turn in your card, you will receive your very own offering envelopes for Sunday services.

Thank you,

Mary and Ward Bondurant, 2009 Stewardship Committee
